JOE:

You'll be always welcome in our city, remembering you all the time, our patient is so good, we didn't place no more implants, the case is working so good, and she is now in Florida, next year she'll come back for the upper side, hope you enjoy all the pictures, that pictures were made two weeks after the surgery, and the digital rxs the same time, you are a very special teacher, we are very proud to know you and for having you here with us.

Best regards

Enrique

Enrique,

I am glad to hear that your presentation in Bogota went well. I hope to be back in your country in about two months to do some follow up and to present some new uses for the implant which I elluded to in my presentation I will have finished them by then.

Say hello to Edwardo for me and thanks again for your hospitality . I hope to see you guys soon.

Joe
